Sun	02 December 2018	05:00	200	Northcliff CC

1) This provides a chance to do a SR in the 1st and 2nd half of the year.

2) There is 2 alternative 300's and 2 alternative 400's in case a rider DNF or has other commitments on a specific date.

3) A 200 every month will help Randonneurs who aren't ready for the longer distances build some confidence.
